

BTS Corporate Membership - Benefits

The benefits of becoming a Corporate member of the British Tunnelling Society are as follows:

- **Corporate members are listed individually on the BTS website and a hyperlink accessed by clicking on their corporate logos leads directly from the BTS site to the corporate members website.**
- **At BTS monthly meetings Corporate member company logos are displayed prior to the presentation.**
- **The BTS web site is the first port of call for potential clients researching tunnelling related issues. Your link / sponsorship can generate significant tunnelling leads.**
- **By being a Corporate member of the BTS your company will be recognised as a significant player in the Tunnelling Industry and you are likely to attract interest from aspiring tunnelling engineers.**

As a Corporate member you will:

- **Have voting rights through your nominated delegates and will be able to take advantage of the work carried out by the Society as well as being able to influence decisions.**
- **Receive as part of your membership a significant number of copies of Tunnels and Tunnelling International which is the International Tunnelling magazine that supports the BTS activities**
- **Be kept aware of conferences and training courses promoted by the Society some of which offer discounted prices for members**
- **Be able to be represented at meetings of our Associated Parliamentary group APGUS which seeks to work with members of parliament to promote the use of underground space.**
- **Be able to encourage your younger engineers to join the Young Members section of the BTS which aims to encourage young engineers into tunnelling.**
- **Have the opportunity to promote your skills by presenting at one of our monthly meetings.**

- **Enjoy the benefits of meeting other like minded specialists in from all aspects of the industry including Clients, Contractors, Consultants, manufacturers and suppliers as well as operatives and engineers.**
- **The Corporate Membership Application Form can be located via the BTS Web page - <http://www.britishtunnelling.org.uk/membership.php>**
