Section C

Within this section you have the opportunity to tell us about yourself, your achievements and any work experience that you have gained. This section is as important as your academic record since the aim of the BTS is to identify high achievers and all-rounders. The response to each question should not exceed a maximum of 200 words. Both sections have equal weighting.

1. Please explain why you have chosen to undertake a MSc in Tunnelling.

2. Please describe what contribution you feel that you can deliver to the British tunneling industry following completion of the MSc course?
