

BRITISH TUNNELLING SOCIETY

Thursday 7th February 2019 at 6.00pm

Telford Theatre
Institution of Civil Engineers
One Great George Street, Westminster, London SW1P 3AA

Joint BTS/MinSouth meeting

Salt Mining in Cheshire

Speaker

Gordon Dunn – Compass Minerals UK

Image courtesy of Compass Minerals ®

Winsford Salt Mine: From Drill and Blast to Automated Continuous Mining, will explore the historic method of drill and blast; focusing on the move from continuous miners to the automation of the miners and the benefits of automation.

Alternative Mine Uses (AMU's) which are in place to reduce the weather effect of a winter de-icing business will also be discussed.

This is a free event - advance booking not required Tea and biscuits will be available at 5:30pm
