

# BRITISH TUNNELLING SOCIETY

Thursday 12<sup>th</sup> December 2019 at 6.00pm

At The

INSTITUTION OF CIVIL ENGINEERS  
ONE GREAT GEORGE STREET, WESTMINSTER, LONDON SW1P 3AA

## Tideway – Progress update – Andy Alder

Including the following

**Lee Fisher** – Albert Embankment marine works & SCL

**John Chew** – Blackfriars marine works, grd treatment, shaft & culverts

**Tom Brown** - Putney Caisson shaft & pipejacking

**Ed Lewis** – Tunnel boring machines

Andy Alder, the Tideway Programme Director, will give an overview of the Tideway Project and the current progress.

This will be followed with presentations from those working at four of the numerous Tideway worksites. This will give an appreciation of the scale and range of tunnelling and civil engineering activities taking place.

Andy will end the presentation with his conclusions.

Tea and biscuits will be available at 5:30pm

**Advance booking not required**
